Maurice Lucas Foundation Celebrity Golf Invitational

Arnerich Massena was a proud sponsor of the 19th annual Maurice Lucas Celebrity Golf Invitational. Held on July 19th at The Reserve Vineyards and Golf Club, the tournament raised funds to help provide programming and transformational opportunities for Portland's youth. The event was hosted by the Maurice Lucas Foundation, which is carrying on Maurice's work by providing a combination of school programs, experiences, and sport that help youth develop their cognitive, emotional, intellectual, and social skills in a fun environment.

July 19 was a beautiful — if very hot — day out on the green at The Reserve Vineyards and Golf Club. Arnerich Massena was proud to sponsor the event, and glad that we'd opted to host our sponsored hole with a shaved ice cart for players as they passed through.

The golfing was glorious, but the day featured much more than the tournament, with celebrity performances, a variety of gourmet offerings, and an evening auction and dinner. A helicopter ball drop was one of the high points. Mostly, the Arnerich Massena team was deeply pleased to be part of raising funds for such a worthy cause. Here, we share some of our best photos of the event.

"Thank you to the sponsors of our 19th Annual Maurice Lucas Celebrity Golf Invitational. We could not have done this without their support. It will help us provide the academic support and resources our students need to succeed. Every kid needs a champion and it's this community that helps us provide transformational experiences and opportunities for kids. We are amazed by the generosity of everyone involved. We are looking forward to seeing everyone again next year."
